Intertek S Mark Certificate with No. 917355

We are pleased to enclose the Intertek S Mark Certificate you have applied for.

Thank You for S Marking your Products!

You have taken the first step to S Mark, but have you taken the next step by letting your customers know about your investment? When you use the S Mark in your marketing you are making clear that your company is truly committed to quality and safety. Positioning and differentiate yourself as a company which is dedicated to safety enables you to increase your sales – because in Europe safety sells.

The S Mark is highly recognized among retailers and authorities since 1926.

The S Mark also strengthens your brand by signaling that safety is important to your company and that you care about the safety of your clients. Since we value you as a customer we want to make sure you are getting the best value out of the S Mark. Many of our customers are already using the S Mark in their marketing. Popular media to use the mark is in campaigns, on packaging and in product catalogues. To find out more and to download tools, please visit www.sweden.intertek-etlsemko.com/smark.

If you have any questions don't hesitate to contact us at info-sweden@intertek.com

Additional part of the certification

In addition to your product certification, we are conducting inspections at your manufacturing site/s. The inspections are carried out by our inspectors or subcontractors. For details of the technical requirements for these inspections, please contact inspection.etlsemko@intertek.com.

Your success is important to us!

Best Regards,

Göran Lilja
Executive Vice President
Intertek Semko AB

Appendix

Reference No. 917355

Technical data

Type designation	T24M
Rated voltage (V)	125 / 250
Rated current (A)	16
Frequency (Hz)	50/60Hz
Class	I appliances
IP-Class	00
Number of cycles	1000 (A)
Purpose	Incorporated thermal cut-out
Method of connection	Tab receptacles 6,3x0,8mm
Features of automatic action	1.C (micro-interruption)
Product information	Category D. PTI175. Pollution degree 2. U _{imp} 2500V. Overvoltage category II. Single temperature disc (50-180°C). Reset temperature -20°C. Manual reset button.

Manufacturing site(s) Light Country (Changshu) Co., Ltd.
No. 88, Ningbo Road
Garden of Hi-Tech Industry
Changchu
CHINA

This certificate, which includes production control, is considered to constitute sufficient support for an EC Declaration of Conformity and CE marking of the product according to the Low Voltage Directive 2006/95/EC.

This certificate replaces previously issued ref. No. 817983 dated 11 February 2009.
A new certificate has been issued on account of removal of models T24M-S, T24A-S, T24M-D and T24A-D.
